Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant estimates made by management, as well as evaluating the overall presentation of the financial statements.

An association of legally independent firms

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Financial Statement Presentation: (Continued)

Permanently Restricted Net Assets

Net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on any related investments for general or specific purposes.

The Organization does not have any permanently restricted net assets.

Cash and Cash Equivalents:

Cash and cash equivalents consist of cash in bank accounts and money market funds with original maturities of three months or less.

Contributions:

Contributions, including unconditional promises to give, are recorded as received. All contributions are available for unrestricted use unless specifically restricted by the donor. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities and changes in net assets as net assets released from restrictions.

Income Taxes:

The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and, accordingly, is not liable for federal and state income taxes.

The Organization follows accounting standards that provide clarification on accounting for uncertainty in income taxes recognized in the Organization's financial statements. The guidance prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return, and also provides guidance on de-recognition, classification, interest and penalties, disclosure and transition. No interest and penalties were recorded during years ended December 31, 2013 and 2012. The tax years subject to audit by federal and state jurisdictions are the years ended December 31, 2010, and forward. At December 31, 2013 and 2012, there are no significant income tax uncertainties that are expected to have a material impact on the Organization's financial statements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Property and Equipment:

Depreciation is provided on a straight-line basis. The estimated useful life on property and equipment is between 5 and 7 years.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.
